INTERCHANGEABILITY LIST

The following list shows the standard parts (Bolt, Washer etc.) which are newly added to this catalog and are interchangeable with the old standard parts.

As new parts are listed only in each section of the catalog, please refer to this list when you order these parts. (You will not need to order new parts if you have stock of the old ones as they are completely interchangeable each other.)

Please note we will supply you with new parts when we run out of old ones.
